### Student Use Agreement

#### Terms and Conditions

In exchange for granting me, as a registered student, the right to possess and use a copy of IBM SPSS Premium/AMOS software ("Software") on my personal computer or workstation, I agree that:

- 1) The Software is the copyrighted property of IBM. Neither I nor the Education Institution owns the Software or any copies thereof which are being provided to me.
- 2) The Educational Institution licenses the Software and annually pays a license fee to enable it to make a limited number of copies available for use by registered students. I agree to use the Software for academic purposes in the U.S. only and understand that any commercial or profit-making use of the Software is strictly prohibited.
- 3) Source code underlying the object code provided with the software is a trade secret which I am not authorized to access. I may not reverse assemble, reverse engineer or decompile the Software or otherwise attempt to access the source code.
- 4) I will not copy the Software and will not permit access to the Software by others.
- 5) If I violate the terms of this Agreement, the Educational Institution has the right to take disciplinary action against me and IBM has the right to take legal action against me.
- 6) When I am no longer a registered student of the Educational Institution, or when requested to do so by IBM, I will return my copy of the Software to the appropriate official of the Educational Institution and delete or destroy any copies within my control.
- 7) I understand that this is a loaner program and IBM SPSS 24 or 25/AMOS 24 or 25 is valid from January 1, 2018 through December 31, 2018.

The student and the educational institution have read this agreement, understand it, and accept its terms.
