Colorado State University JMP License Agreement  
Terms and Conditions for SAS Institute Program

I certify that the SAS software I am leasing is for my personal, educational and/or research use. I further understand that only CSU students, faculty, and staff are eligible to lease software through this program. I certify that I meet these eligibility requirements. I certify that this software is to be used on a single machine at a time. If I need this software for multiple computers, I need to purchase additional SAS software licenses allowing me to only run SAS on the number of computers that I have purchased licenses for. Use of this product outside of the Continental United States and provinces of Canada requires approval by the SAS Institute.

My SAS software license and this agreement are in effect from the date of the signature through 6/30/20. To renew my license and this Agreement, I understand I must pay an annual lease renewal fee.
