Adobe has moved all creative applications to Creative Cloud. Creative Cloud can be purchased in two options:

- 1) Device Licensing: Creative Cloud Shared device licenses are meant for shared computers or campus computer labs. This version does not include Adobe Creative Cloud online features.
- 2) Named User Licensing: Creative Cloud named user licenses includes all Adobe Creative Cloud online features.

Creative Cloud is a yearly license. Contract renews at the end of September.

Anyone in the department of Liberal Arts must check with [helplibarts@colostate.edu](mailto:helplibarts@colostate.edu) or stop by the Liberal Arts IT office before purchasing to determine whether you need a Device or Named-User license.
