I certify that the WebFocus by TIBCO (formerly Information Builders) software that I am leasing is for Colorado State University use.

I further understand that only CSU departments are eligible to lease software through this program. I certify that I meet these eligibility requirements. I certify that this software is to be used on a single campus machine at a time and for more than one at a time, I will purchase additional WebFocus software licenses allowing me to only run WebFocus software on the number of computers that I have licensed.
